God Builds a Nation

In our second section of reading, we see how God chose a man named Abram (later to be called Abraham) to be the father of a new people, the Jewish people, God's chosen people. We'll follow their journey toward becoming the nation of Israel as we walk through the accounts of Abraham, his son Isaac, and his grandson, Jacob (later to be called Israel). They don't call Him "The God of Abraham, Isaac, and Jacob" for nothing! As we will see, these fathers of our faith were very much human, as the Bible doesn't shy away from their flaws and mistakes. We'll also take a few short detours into the New Testament for some added insight.
